August 24, 2007

Dear Highlandettes and Families:

How are you doing? I hope everyone had a fun summer vacation and you're all reenergized for a new school year! Some of you know me from my work the last two seasons, but I wanted to introduce myself to all those newcomers.

My name is Jason and I will be showing up at a lot of 'Dette events throughout the school year. I am a videographer who will be producing two separate videos for you – one is a "Year in Review", which is described in detail on the order form, and the other is the Spring Revue in April 2008.

The first event I'll be taping this season is Friday's football game. You'll also be seeing me at pep rallies, the stadium, practices, etc. I'm going to schedule two separate interview sessions this year, but please feel free to always come up to the camera and say hi or tell me what's going on! The goal is to have the completed Year in Review ready to premiere at the end-of-year banquet in May.

As you can see on the order forms, there is a slight discount if you place your DVD order before 12/31/07. Also, when spring comes around and I begin to edit and compile all the footage, I'd love to get any favorite photos or additional footage (Hawaii ☺) from you guys to add!

Please always feel free to call or email with any questions, concerns or ideas.

Sincerely,

Jason Traub

PS – If anyone wants to see a brief clip from last season's Year-in-Review, it's available on the website, under SHOWCASE. Some might have to download Flash to get the site to work properly.
